

GENERAL AUDITION MALE SONG LYRICS:

WHAT YOU WANT

What you want
You wanna be out because the sun she warm?
What you want
You wanna be study, stuck inside your dorm?
What you want
You wanna be party with us all night long?
What you want
You wanna be strong?
Whoa-oh

What you want
You wanna be groovin', bumpin', shake da room?
What you want
You wanna be provin' somethin' and to whom?
What you want
You wanna be wonderin' where your youth is gone?
What you want
You wanna hold on?
Whoah-oh

What you want, you wanna be breathin' in the healthy air?
What you want, you wanna be chasin' him and he don't care?
What you want, you wanna ignore the pity in their looks?
What you want, you wanna say, "Sorry, gotta hit me books"
What you want, you wanna sittin' like a lonely child
What you want, you wanna be drivin' all the fellas wild
What you want, you wanna be feelin' good to be alive
